

Support the Coffee Strong Internet Café!

G.I. Voice, an organization made up of recent vets and civilian supporters, opened a G.I. internet Café within blocks of Fort Lewis. Movie nights, concerts, and events attract soldiers who live on base and are looking for an off base hangout.

Soldiers are provided GI Rights counseling, and referrals to needed services with National Lawyers Guild, Counseling Referrals, Veterans' Rights and Military Sexual Trauma. Coffee Strong serves as a safe place for active duty soldiers, military families and veterans to discuss issues like: war, deployment, PTSD, and the hardships of life in the military. In addition, the café sparks autonomous organizing among soldiers to improve their everyday lives. We believe that by sharing our experiences, educating ourselves, and acting in support of each other we can bring about the change necessary to create a livable world.

Please note that at this time, sustaining donations are not tax-deductible. They will be as soon as our non-profit status is finalized (watch newsletters and website for an announcement).

We need your support to raise \$75,000 in 2010. Please fill out the form below with ways you can contribute to GI Voice—Coffee Strong. To have a member of G.I. Voice come speak to your group about this project, please contact us at 253-581-1565.
